Amasht Paper Hygiene Products Pvt. Ltd. is one of the largest paper conversion units for dispensable consumer/institutional tissue paper products in India. Started in 1996, the firm is a supplier to major multinationals for similar product categories. Amasht has now diversified into a range of household and industrial cleaning fluids under its brand name Ameco.

Amasht's core strength lies in its powerful techno-managerial team which has decades of experience in the industry.

Check out the 3-Way Ameco Wave Benefit.
